WAYNE COUNTY PERMITTING SUMMIT FOR BUSINESS AND DEVELOPERS

8 AM – 12 PM
Monday, June 6, 2016

Schoolcraft College, Livonia
Vis Ta Tech Center

Wayne County is holding a complimentary Permitting Summit to inform our business partners and the development community of the processes of the Wayne County Permit Office, as well as providing information on proposed updates to the Wayne County Storm Water Program.

Join us for presentations by Wayne County's Environmental Services Group and the Permit Office covering permitting, the Wayne County Storm Water Program, and "Part 41" Permits.

In addition to hearing from Wayne County staff, our guests are encouraged to join in the discussion and provide feedback to Wayne County.
